IQAC Cell

Overview

Internal Quality Assurance Cell (IQAC) at CSB Jhanjeri is crucial in fostering a culture of quality within the institute. Its primary objective is to channel and systematise efforts and measures toward achieving academic excellence. By developing a structured framework, the IQAC ensures that academic and administrative activities are carried out efficiently and effectively, aligning with the institution's goals and standards.

Furthermore, the IQAC catalyzes quality enhancement by engaging stakeholders in the quality assurance process. This includes faculty, students, administrative staff, and external bodies such as alumni and industry representatives. Through regular feedback mechanisms, self-assessment exercises, and strategic planning, the IQAC identifies areas for improvement and implements actionable strategies to address them.

Objectives

- To establish an internal quality assurance system to ensure academic and administrative excellence
- To create a student-centric environment that fosters holistic learning
- To strengthen the relationship between industry and academia to benefit both staff and students
- To promote interdisciplinary and collaborative research initiatives
- To enhance staff quality through comprehensive faculty development programs
- To improve infrastructure to support effective teaching, learning, and administration

Following committee members are hereby framed for Internal Quality Assurance Cell from all the concerned departments.
